Born by a machine - No emotional act  
Heroes for sale - Perfection guaranteed

No one who cares - About the results  
No one who knows - What future shows

World's under fire - Weapons cruise in space  
Electronic eyes - All moves controlled

No one who cares - About the results  
No one who knows - What future shows

Keep on - Watch out - Keep on  
Keep on - Watch out  
Keep on - Watch out - Keep on  
Keep on - Watch out

Evil Liar - Hidden spite  
Evil Liar  
Evil Liar - Shut your mouth  
Evil Liar

Doomsday will come - No place left to run  
The atomic defense - The World's destiny

No one who cares - About the results  
No one who knows - What future shows

Keep on - Watch out - Keep on  
Keep on - Watch out  
Keep on - Watch out - Keep on  
Keep on - Watch out

Evil Liar - Hidden spite  
Evil Liar  
Evil Liar - Shut your mouth  
Evil Liar

No leader in the east and west  
We can depend on, we can trust  
Human serpents in disguise

Got no remorse - Mass genocide

[Solo]

What's wrong or right - you've got to decide  
You have to pay - for lies leaders pray

No one who cares - About the results  
No one who knows - What future shows

Keep on - Watch out - Keep on  
Keep on - Watch out  
Keep on - Watch out - Keep on  
Keep on - Watch out

Evil Liar - Hidden spite  
Evil Liar  
Evil Liar - Shut your mouth  
Evil Liar
