"Into The Void"

Silence nothing
More to be said
Words are useless
Now, today

Can?t cover doubts
With explanations
It?s a hate yourself
Situation

Braincells fight
An endless fight
Thoughts are useless
Now, today

Why cover fear
With self confidence
Self destruction
Self defence

[Ref.]
It?s a damn trip
Leading you
Right into
Into the void

No more fight
In my head
Thoughts do not
Exist today

Void - damn trip
Void - get used to it
Void [6x]

Last week I
Cut off my tongue
Guess I should
Accept my fate

No... fear no... confidence

[Ref.]

There's no fear
No confidence
It's the fascist
Rising in yourself
