What if they transmit the real life
What if they don't check their head
There's no message
Just crown appearance
Say what you think then start to think
Live in hope
Say silent prayers
Try, fail, check another channel
Light a fag
That's good protection
When you stand barefoot in the snow
Stone-faced
At my appearance
Give your best
To get me wrong
Pregnant love-doll heads for action
Dressed in black with headphones on
Pregnant love-doll dayglo abortion
At the crossroad with headphones on
Barefoot babies kick blue helmets
Salty tears on desert sand
Zero hour's a special hour
Traffic-lights remainin' red
