Ask me why I care  
As no one seems to care  
Ask me why I try  
As no one seems to try

Ask me something  
I haven't heard before  
Show me the face  
I haven't seen before

[Ref.]  
I am alive  
Are you alive?  
I am alive, are you alive?  
I am alive, are you alive?

Just be cause you don't believe in god  
Don't mean you believe in the devil  
Convince me that I needed authority  
You'll never convince me of anything

Don't feel like beeing addicted  
Don't feel like being forced to obey  
Don't feel like beeing addicted  
Guess I found my way

[Ref.]  
I am alive  
Are you alive?  
I am alive, are you alive?  
I am alive, are you alive?

Ask my why  
Why I care  
As no one  
Seems to care  
Ask me why  
I still try  
Live your life is sin  
You will never learn

[Ref.]  
I am alive  
Are you alive?  
I am alive, are you alive?  
I am alive, the jack of all trades
