I've Suffered In The Name Of God
His Words Serve Me As Consolation
For A Life Of Martyrdom And Pain
I've Lived Like A Slave Of My God
O Satan's Save My Soul
Free Me From This Nightmare
I'll Obey Your Laws
I Won't Underestimate Your Wisdom
Now I'm Going To Break The Ten Commandments
Made On Stone

And Despise The Seven Words Of Christ
O Satan's, Now I Want Only Serve Thee
Thou Art My New Lord Who Will Instruct Me
O Satan's Save My Soul
Free Me From This Nightmare
I'll Obey Your Laws
I Won't Underestimate Your Wisdom
