(Joe)

My dear, my dear, my dear  
You do not know me  
But I know you very well  
Now let me tell you that I ca-ca-ca-ca-caught you  
My dear, my dear, my dear  
You do not know me  
But I know you very well  
Now let me tell you that I caught you

Talk to me, tell me, where you were  
Late, last night  
Ya-you told me, you were with your friends hanging out  
Late, last night  
Ya-you're lying cuz you're stuttering  
Now where were you?  
Late, last night  
Stop lying to me cause you're ticking me off  
See you're ticking me off, ooh

I can tell you're lying  
Cause when you're replying  
You stutter, stutter, stu-stutter, stutter

I can tell you're lying  
Cause when you're replying  
You stutter, stutter, stu-stutter, stutter

I can tell you're lying  
Cause when you're replying  
You stutter, stutter, stu-stutter, stutter

I can tell you're lying  
Cause when you're replying  
You stutter, stutter, stu-stutter, stutter

(Mystikal)

Watch yourself  
Watch yourself  
Quit your lying heffer  
Watch yourself heffer

(Joe)

I called you on your cell phone  
No answer, tell me why  
So I paged you on your two way  
Still no response, tell me why  
I took care of you, I loved you  
And you played me, tell me why  
Stop lying to me about where you've been  
Cause you're ticking me off, tick-tick-ticking me off

I can tell you're lying  
Cause when you're replying  
You stutter, stutter, stu-stutter, stutter

I can tell you're lying  
Cause when you're replying  
You stutter, stutter, stu-stutter, stutter

I can tell you're lying  
Cause when you're replying  
You stutter, stutter, stu-stutter, stutter

I can tell you're lying  
Cause when you're replying  
You stutter, stutter, stu-stutter, stutter

My dear, my dear, my dear  
You do not know me  
But I know you very well  
Now let me tell you that I ca-ca-ca-ca-caught you  
My dear, my dear, my dear  
You do not know me  
But I know you very well  
Now let me tell you that I caught you

(Mystikal)

Quit your lying heffer, watch yourself  
Yeah, I'll give the whips but leaving you out here by  
yourself  
I'm keepin' it gangsta with all the tattoos and platinum  
mouth  
I was the rapper you heard about strappin' up in the  
waffle house  
Right next to niggas when I be sparkin' 'em out  
And I'm way too cold to plain let you come and dog me  
out  
Should've of knew what you was up to when you got  
here  
Get off my couch, get  
And I just can't change it

It's gonna be good  
Get the hell on  
My bad, you're out  
I seen it coming with that nappy hair  
She was running docked out wanting what you had  
You let him set you up and you fell for it  
Now it's "I-I-I'm sorry, my ass!"  
That's why you're paying for it  
You got the garbage, I got the trash can for it  
The man ain't gon stand for it  
You better respect my flow  
Don't be stuttering when you're talking to Mystikal  
Or lying when you be talking to Joe

(Joe)  
I smell cologne damn it's strong  
How did ya get it on?  
I'm not dumb  
He messed up your hair  
Make-up's every where  
Ooh yeah I'm not dumb  
Girl your crying 'cause your lyin'  
To my face, I'm not dumb  
Stop lying to me about seeing a man  
Cause you're ticking me off (tick-tick-ticking me off)

I can tell you're lying  
Cause when you're replying  
You stutter, stutter, stu-stutter, stutter

I can tell you're lying  
Cause when you're replying  
You stutter, stutter, stu-stutter, stutter

I can tell you're lying  
Cause when you're replying  
You stutter, stutter, stu-stutter, stutter

I can tell you're lying  
Cause when you're replying  
You stutter, stutter, stu-stutter, stutter

I can tell you're lying  
You stutter, stutter, stu-stutter, stutter

I can tell you're lying  
You stutter, stutter, stu-stutter, stutter

I can tell you're lying  
You stutter, stutter, stu-stutter, stutter

I can tell you're lying  
Cause when you're replying  
You stutter, stutter, stu-stutter, stutter

I can tell you're lying  
Cause when you're replying  
You stutter, stutter, stu-stutter, stutter
