If you gone be down be down stay down
Get the fuck from round me.

We can solve it, wash it up and dissolve it
Up the pistol lay it down on the carpet.

I aint come here for no fuckery don't fuck with me
Niggaz sly be ducking like PAC cause I'm a hoodlum
like Skull Duggery

You can't get enough of me

Don't worry bout the pain bitch cause you gone die
sudden

They be playin TAPS for yo ass at reveille

You aint gone need no "do not disturb" cause you gone
sleep heavenly.

I'm reminess bout my baby, then I wipe my tear.

Plottin revenge on one of these bitch ass nigga out
chea.

I done lost it; I done surpassed mad

I can't keep still cause my nerves are bad.

I punch the brick wall with my balled up fist

I know I can't rest till I CATCH THAT BITCH!!!

There He Go, There He Go, There He Go
(GET THAT MOTHER FUCKER) 8x's

(Mystikal)

So why I'm still here I'mma hold down my nigga.
This for the Gangstas and Killas, Drug Dealers and Wig
Splitters.
This for my niggas Locked down and all the niggas that

This for the Projects and Ghettos with the scatter sight.
And every street nigga that's duckin' them flash lights.
