Oom posmon oom - en oe uru ni  
- neuech omun chom  
- haach nomeech om  
- hee noeum vrch hee

Driping blue wash off the suffer  
Lovely are shields of basess love  
Finger roars by flares up of thought word  
Distant luck from desire of floating pains

Oom posmon oom  
Oom posmon oom

Flower of pleasure of huming bodies of freedom  
Shores of infammable landscapepicture of pointworld  
Key of angel wings of lightly blue  
Secret pregnancy by cosmic breath

Touching of eternal dripping silence
