"Body Bumpin'"

She was just a young girl
With the mind of a queen
Her body bumpin'
Do you know what I mean
I tell ya somethin'
It ain't the way that it seems
'Cos she said that she was eighteen

My life means everything to me
Ridin' 'round in chauffeured limousines
No time for no-one to get close to me
But there she was at the bar
Drinkin' "Sex on the Beach"

This girl was one sore-eyed remedy
And then she said to me

How about a time and a place
We meet when it's sunny
Miami, paradise
I don't need your money
We can walk in the sand hand in hand
I can be your girl
And you can be my man

Fast life, took her all around the world
Didn't know, didn't care
'Cos she was my girl
(One night) I bought her cars, some rings and furs
I gotta say in a way
I was fallin' for her

This girl was one sore-eyed remedy
And then she said to me

Oooh

This girl was one sore-eyed remedy (Such a remedy)
And then she said to me

She is so in love with me, can't you see

I'm in love with this girl

'Cos she said she was eighteen, yeah baby

'Cos she's my kinda girl
