I fell in love
I fell in love with you, I fell in love with you

When you were young
Not much older than me
Nothing would happen between us
As far as I could see

The you called 'round
He'd hurt you again
You said you wanted comfort
I wanted to be much more than your friend

It was late, your head was on my chest
You slipped away while I watched you rest
Like a dream you lying here with me
I stroked your hair while you fell asleep

That was that day, I fell in love with you

When I woke up
You were nowhere around
Then I called out your name
But I couldn't hear a sound

I called you up
Put the phone to my mouth
Tried to tell you how I felt
But instead no words came out

I looked up
As you leaned against my door
I held you in my arms
Once more
Like a dream
Your head was on my chest
I slipped away
While I watched you undress

That was the day, I fell in love with you
Like a dream I held you all night long

I love you more than the sweetest song
That was the day, I fell in love with you

I fell in love
I fell in love with you
I fell in love with you, I fell in love with you

Ever since I saw your face
I knew destiny has taken place
I belong to you
I belong to you
