but i need some time 2 do some things 4 me
and u need 2 slow ur role and watch ur speed it's cool
i know what i gotta do

told u once, twice, then 3 times
let's take time 2 rewind
but i never get thru 2 u
always 2 steps ahead
when u knew what i said
and now i'm getting so over u (i'm getting so over u)

(let's cool it down) i ain't ready 4 that kinda noise
(hear me out) i ain't tryinna meet ya mama boy
i'm 2 young 4 that i'm-i'm-i'm-i'm 2 young 4 that
(let's take it slow) that's the kinda speed i wanna go
(u should know) i ain't ready 4 no marriage

yeah i get the feelin that i'm all in love
me plus u still don't equal us
this relationship ain't addin up
i need some time 2 think it over
when u tell me that u love me do u really care
tell me the truth this isn't truth or dare
if u love me then u'll wait 4 me
if u can't well then it's time 2 leave

told u once, twice, then 3 times
let's take time 2 rewind
but i never get thru 2 u
always 2 steps ahead
when u knew what i said
and now i'm getting so over u (i'm getting so over u)

(let's cool it down) i ain't ready 4 that kinda noise
(hear me out) i ain't tryinna meet ya mama boy
i'm 2 young 4 that i'm-i'm-i'm-i'm 2 young 4 that
