What are you doing right now?

Yea

Alot

No I really do

So your not too busy for me or anything are you?

Okay

I'm packin my bag and I'm coming to see you

Liz

[Verse 1]

Sittin here strippin while I keep checkin in my rear view

Doin 95 on this highway

Tryna get to you oo

I been out on this world

Can't take bein alone anymore

Gotta get back home to you

Cause I'm missin how we do

I'm here runnin out of my mind

Going crazy

I gotta get to you

Gotta make it through

Cause boy I feel so secure when I'm with you

[Chorus]

Your my lullaby

Tonight your gonna put me to sleep

Lay my head on your chest

While your rockin me

I been holdin my breath

Now I get to breathe

We'll meet in my dreams

Tonight I need my lullaby

Tonight you'll be my lullaby

Tonight you'll be lullaby-by

Tonight you'll be my lullaby
Tonight I need my lullaby

[Verse 2]

Liz

My heart is beating too fast
I gotta slow it down
Got all these thoughts in my head
I bout to let em out
Oh
Can't wait to be in your arms
Nothing makes me feel betta
Just hold me tight in your arms

[Hook]

Boy I don't know what it is that you do to keep me right
But whatever it is I know you doin it tonight
The magic in your touch
The magic that I love between us
I love when your my lullaby

[Chorus]

Your my lullaby
Tonight your gonna put me to sleep (tonight your
gonna put me to sleep)
Lay my head on your chest
While your rockin me (ohhhh)
I been holdin my breath
Now I get to breathe (Now I get to breathe)
We'll meet in my dreams (witchu in my dreams)
Tonight I need my lullaby
Tonight you'll be my lullaby
Tonight you'll be lullaby-by
Tonight you'll be my lullaby
Tonight I need my lullaby

[Bridge]

Liz

You playin in my hair
Your fingers feel so good
You can put them anywhere
And I really really wish you would
Love the words that your whisperin softly in my ear
Now I'm right where I need to be
So then I close my eyes
Can't help but anticipate
What we gon do on the other side
Now my body is shaking
I'm losing my patience

We might not be sleeping tonight
I love when your my lullaby

[Chorus]

Your my lullaby
Tonight your gonna put me to sleep (Tonight your
gonna put me to sleep)
Lay my head on your chest
While your rockin me (While your rockin me)
I been holdin my breath
Now I get to breathe (Now I get to breathe)
We'll meet in my dreams
Tonight I need my lullaby (Tonight you'll be my lullaby)
Tonight you'll be my lullaby (Tonight you'll be my
lullaby)
Tonight you'll be lullaby-by (Tonight you'll be my
lullaby)
Tonight you'll be my lullaby (Tonight you'll be my
lullaby)
Tonight I need my lullaby
