Girl don't say that it's over  
'Cause you are a part of me, yeah  
Girl just hold on, please tell me what is wrong with us  
Could it be that you're lonely  
Could it be that I didn't care  
Tell me please girl, that you are still feeling for me, oh  
Girl where is the love that we used to know, our love  
All these beautiful days that we used to share  
Lord tell me please what can I do

(I will give you the best of my life)  
(Yes I'll give you all that you need)  
(Anything that you want I will give it to you)  
(I will give you the best of my life)  
(Yes I'll give you all that you need)  
(Anything that you want I will give it to you)  
I will give it to you

And you know that I miss you  
And you know I can't live without you  
I'm praying each day that your love will come back my  
way, oh yeah  
In my dreams I still hold you  
In my dreams are you still with me, yeah  
Please don't hesitate, 'cause girl I can't wait for our  
love  
Girl where is the love (where is the love)  
That we used to know (we used to know)  
Our love  
Oh, all these beautiful days (beautiful days)  
That we used to share (we used to share)  
Lord tell me please what can I do, yeah

(I will give you the best of my life)  
(Yes I'll give you all that you need)  
(Anything that you want I will give it to you)  
(I will give you the best of my life)  
(Yes I'll give you all that you need)  
(Anything that you want I will give it to you)

Where is the love that we used to know  
Beautiful days we used to share

(Best of my life)  
(Yes I'll give you all that you need)  
(Anything that you want I will give it to you)  
(I will give you the best of my life)  
(Yes I'll give you all that you need)  
(Anything that you want I will give it to you)

Bring it on now  
(I will give you the best of my life)  
(Yes I'll give you all that you need)  
(Anything that you want I will give it to you)  
(I will give you the best of my life)  
(Yes I'll give you all that you need)  
(Anything that you want I will give it to you)
