Saw you 'round the other day
Shorty she was all the way
Looked like you were feelin' me
So I had to come and see
Girlie wasn't tryin' to hate
But she had to tell me straight
She was the queen-to-be
But she couldn't find the chemistry
And I say, I--I--I (I can't lose to you)
I--I--I (whoa....)

She was disco lights on a Friday night
as she moved across the floor
She was oh, so tight like dynamite
Blowin' me up with her love
She was on the phone with me all night long
I just can't get enough
She was uh uh uh, uh uh uh
Blowin' me up with her love

Uh uh uh uh uh, uh uh uh uh uh
Uh uh uh uh uh, uh uh uh uh uh

Girl it's just a sexy way
You back yourself into me
You're more than just a pretty face
You're better than the fantasy
Come on, baby, don't ignore me
I know what you're feelin' for me
You can't fight it 'cause you want me
Don't miss this or you'll be sorry
So tell me what's it gonna take
You got me all bent outta shape
Thinkin' bout you all day
So why you gonna make me wait?
And I say, I--I--I (I can't lose to you, no, no)
I--I--I (whoa...)

She was disco lights on a Friday night
as she moved across the floor
She was oh, so tight like dymanite
Blowin' me up with her love

She was on the phone with me all night long
I just can't get enough
She was uh uh uh, uh uh uh
Blowin' me up with her love
(repeat)

There's just somethin' about you baby
That's takin' me over, I want you to know

Oh! Oh! Oh! Oh!
Oh! Oh! Oh! Oh! Oh!

Now, it's on tonight
She took all control
Turned off all
