[Spoken low]

Baby baby we can do all that we want  
We're gettin nasty nasty, we're getting freaky deaky  
Baby baby we can do more than just talk  
Cause I can hear ya hear ya, and I can see ya see ya  
Baby baby we can do all that we want  
We're getting nasty nasty, we're getting freaky deaky..

Digital digital get down just you and me  
(You may be) Twenty thousand miles away but I can  
see ya  
And baby baby you can see me  
Digital digital get down just what we need  
We can get together naturally  
(We can) We can get together on the digital screen

[Justin]

Every time I'm sittin home alone girl  
I can't wait to get you on the phone girl  
So pick it up babe  
I can see everything you do  
Bouncin me from satellite to satellite  
I love the things you do for me so late at night  
So turn me on yeah  
It's like I'm right there next to you yeah

[Justin]

Can we get connected  
I need some love and affection baby  
I'll call you on the phone  
I hope that I get through  
If you're in the mood and I'm not home  
Here's what you do: leave a message  
You know the kind (you know the kind I like) I like to get  
back to

[Chorus w/ Justin's echos]

Digital digital get down just you and me  
(You may be) Twenty thousand miles away but I can  
see ya  
And baby baby you can see me

Digital digital get down just what we need  
We can get together naturally  
(We can) We can get together on the digital screen  
Yeah

[JC]

I lose my mind just when you're speaking  
I see you on the screen, I get to freaking  
So get down babe  
And I'll get down for you (I'll get down for you)  
I get so excited when I'm watching girl  
I can't wait to see you touch your body girl  
It's just me and you  
So we can do what we gotta do (yeah)

Can we get connected  
I need some love and affection baby  
I'll call you on the phone  
I hope that I get through  
If you're in the mood and I'm not home  
Here's what you do: leave a message  
You know the kind (you know the kind I like) I like to get  
back to

[Chorus w/ JC's echos]

Digital digital get down just you and me  
(You may be) Twenty thousand miles away but I can  
see ya  
And baby baby you can see me  
Digital digital get down just what we need  
We can get together naturally  
(We can) We can get together on the digital screen

Digital digital digital digital get down (get down)  
Digital digital digital digital get down (get down...)

[Spoken low]

Baby baby we can do more than just talk  
Cause I can hear ya hear ya, and I can see ya see ya  
Baby baby we can do all that we want  
We're getting nasty nasty, we're getting freaky deaky  
Baby baby we can do more than just talk  
Cause I can hear ya hear ya, and I can see ya see ya  
Baby baby we can do all that we want  
We're getting nasty nasty, we're getting (oh oh) digital

Digital digital get down just you and me  
(You may be) Twenty thousand miles away but I can  
see ya

And baby baby you can see me  
Digital digital get down just what we need  
We can get together naturally  
(We can) We can get together on the digital screen

Digital digital get down just you and me  
(You may be) Twenty thousand miles away but I can  
see ya  
And baby baby you can see me  
Digital digital get down just what we need  
We can get together naturally  
(We can) We can get together on the digital screen

Digital digital get down (get down)  
Just what we need...
