This is the time of year that we learn to give
and the greatest gift is learning to forgive
We will have the best time that we ever knew
If you forgive me and I forgive you

I don't wanna light a fire unless it will warm your heart
I'm playin' those holiday old songs, I need you to sing
your part
And baby, if I could have just one wish come true
I don't wanna spend one more Christmas without you

Without you, yeah.....

It's so hard to believe we're staring at the end
When all we think about is starting up again
Whatever we lost when we were apart
We'll find it all alone in the dark

I don't wanna light a fire unless it will warm your heart
I'm playin' those holiday songs, I need you to sing your
part
And baby, if I could have just one wish come true
I don't wanna spend one more Christmas without you

There's nothing more that I want from you
Than to lay here together and stay here forever with
you
There's no one I ever knew
That I wanted to spend Christmas with more than you
(more than you)

I don't wanna light a fire unless it will warm your heart
I'm playin' those holiday songs, I need you to sing your
part
And baby, if I could have just one wish come true
I don't wanna spend one more Christmas without you

I don't wanna light a fire unless it will warm your heart
I'm playin' those holiday songs, I need you to sing your
part
And baby, if I could have just one wish come true

I don't wanna spend one more Christmas.....
I don't wanna spend one more Christmas.....
I don't wanna spend one more Christmas without
you.....
