Yeah, yeah, yeah  
Oh  
Hmmm

I don't know how  
I don't know why  
But girl it seems  
You've touched my life  
You're in my dreams  
You're in my heart  
I'm not myself  
When we're apart

Something strange has come over me  
A raging wind across my seas  
And girl you know that your eyes are to blame  
And what am I supposed to do (supposed to do)  
If I can't get over you (get over you)  
And come to find that you don't feel the same

Cause I'm falling, falling  
Girl I'm falling for you  
And I pray you're falling too  
I've been falling, falling  
Ever since the moment  
I laid eyes on you

Falling, falling, falling  
When I laid eyes on you  
Falling, falling, falling  
Yeah

I lose my step  
I lose my ground  
I lose myself  
When you're around  
I'm holding on  
For my life  
To keep from drowning  
In your eyes, yeah

Girl what have you done to me

To make me fall so desperately  
To think that I don't even know your name, no no  
And how am I supposed to live (supposed to live)  
If I can't get over this (get over this)  
And you decide that you don't feel the same, yeah

Cause I'm falling, falling  
Girl I'm falling for you  
And I pray you're falling too  
I've been falling, falling

Falling - will you stay or will you go  
Heaven - heaven knows what my future holds  
Questions - questions linger on my mind  
Daybreak - from daybreak to dark of night  
I'm falling - I don't know what's come over me

Can't you see that I'm falling, falling  
Girl I'm falling for you  
And I pray you're falling too, yeah yeah  
Falling, falling (girl I'm falling)  
Ever since the moment  
I laid eyes on you  
Oh...I'm falling
