Yeah yeah.. oh hmm I don't know how  
I don't know why  
But girl it seems  
You've touched my life  
You're in my dreams  
You're in my heart  
I'm not myself  
When we're apart

Something strange has come over me  
A raging wind across my seas  
And girl you know that your eyes are to blame  
And what am I supposed to do  
If I can't get over you  
I come to find that you don't feel the same

Cause I'm fallin'  
Girl I'm fallin' for you  
And I pray your fallin' too  
I've been fallin' fallin'  
Ever since the moment I laid eyes on you

I lose my step  
I lose my ground  
I lose my self  
When you're around  
I'm holding on for my life  
To keep from drowning in your eyes  
Girl what have you done to me  
To make me fall so desperately  
To think that I don't even know your name  
No, no  
How am I supposed to live  
If I can't get over this  
You decide you don't feel the same

Cause I'm fallin' fallin'  
Girl I'm fallin' for you  
And I pray your fallin' too

I've been fallin' fallin'

Will you stay or will you go  
Heaven, heaven knows what my future holds  
Questions, questions linger on my mind  
Day break from day break to dark of night  
I'm fallin' I don't know what's come over me

Can't you see that I'm fallin' fallin'  
Girl I'm fallin' for you  
And I pray your fallin' too  
I've been fallin' fallin'  
Ever since the moment I laid eyes on you
