You drive a pretty car, you know how fine you are
And nobody needs to say it, no way
They love the clothes you wear, they compliment you
And I just love the way you play it

But the only thing you dream of
Money can't buy for you, oh
And in my dreams I'll make your wish come true

For the girl who has everything, I bring you love
I bring you love
'Cause the girl who has everything can't get enough
Of my love

Why do you run and hide, say what you feel inside
(Say what you feel)
Why must you always fake it, oh yeah
Girl you need to understand
Your heart's safe within my hands
I promise I'll never break it, oh

I know that you still dream of
What money can't buy for you
And in my dreams I'll make your wish come true

For the girl who has everything, I bring you love
I bring you love (I bring you love)
'Cause the girl who has everything can't get enough
Enough of my love

If you just let me try
(My baby listen)
I'll help you find
(What you've been missing)
Oh yeah, you gotta listen to your heart
And not your mind
Oh baby yeah

For the girl who has everything, I bring you love
(I bring you love) I bring you love, yeah
'Cause the girl who has everything can't get enough
Of my love

(For the girl who has everything)
Oh girl, you want my love, I'm gonna give it to you
(I bring you love)
('Cause the girl who has everything can't get enough)
Of my love
