Would you be my girlfriend?

Nelly:

Uh, Ay, Ay

Uh, Would you be my girl?

Would you be my, (would you be my girlfriend?)

Would you be my, (would you be my girlfriend?)

Uh, Ay,

Check it

He don't want you like I want you believe me boo I been told

He don't appreciate you, ma, I can tell by the way he hold you

He don't love you like I can love you

Or squeeze you like I squeeze

I'll make your neck pop back and in fact I'll buckle your knees (hey)

Okay, baby what's it gon' take for you to be my lady (tell me right now)

I hear your friends tell you should

Your parents tell you it's good

Your lil' sister keep yellin', "Nelly, I wish you would"

But you're hesitatin', debatin' whether or not it's real

I ain't shootin game, boo, I'm just tellin you how I feel

I'm diggin everything about you

Your hips an' the way the sway

I hate to see you leave boo, but love to see ya walk away

I'll be your personal shrink, boo, I care what you think

I bought the Bentely in pink 'cause my dough \*NSYNC

So tell ya man bye bye and tell 'em your long (gone)

Ain't no needin' waitin' up, you done found you another (home)

(woo)

\*NSYNC:

I don't know why you care (why you thinkin' bout him mamma?)

He doesn't even know you're there

'Cause he don't love your eyes (no)

And he don't love your smile (no)

Girl you know that ain't fair (c'mon)

In the middle of the night  
Is he gonna be by your side?  
Or will he run and hide?  
You don't know cause things ain't clear  
And baby when you cry  
Is he gonna stand by your side?  
Does the man even know you're alive?  
I got an idea

Why don't you be my girlfriend  
I'll treat you good (I'll treat you good girl)  
I know you hear your friends when they say you should  
'Cause if you were my girlfriend  
I'd be your shining star  
The one to show you where you are  
Girl you should be my girlfriend

Does he know what you feel  
Are you sure that it's real yeah (are you sure?)  
Does he ease your mind (nah)  
Or does he break your stride?  
Did you know that love could be a shield yeah  
In the middle of the night (hoooo)  
Is he gonna be by your side? (no no - no)  
Or will he run and hide?  
You don't know cause things ain't clear  
And baby when you cry (oooh)  
Is he gonna stand by your side? (no no)  
Does the man even know you're alive?  
I got an idea (listen girl)

Won't you be my girlfriend (yeah yeah)  
I'll treat you good (I'll treat you good girl)  
I know you hear your friends when they say you should,  
baby  
'Cause if you were my girlfriend (uh uh uh uh)  
I'd be your shining star (I'd be that one to shine for ya,  
girl)  
The one to show you where you are \*Check it, ah ah ah  
ah ah ah\*  
Girl you should be my girlfriend

Nelly:  
Ah, need a fiance, cute as Beyonce,  
Ghetto like Da Brat  
Ready to scrap when I say  
The talents of Alicia, fall Ms. Keys  
I take the hips off Trina  
And lips off Eve

I put ya so high on a pedestal, it might make ya nose  
bleed  
So much ice around ya ankles, and watch ya toes  
freeze  
What's wrong, ma? Ya man ain't bringin' ya joy?  
Don't trip flip ya scrip to a country boy  
Now c'mon

Ever since I saw your face  
Nothing in my life has been the same  
I walk around just saying your name  
Without you my world would end, yeah  
I've searched around this whole damn place  
And everything says you were meant to be  
My girlfriend... oh

(hey why don't ya)  
Won't you be my girlfriend (yeah)  
I'll treat you good (uh)  
I know you hear your friends when they say you should  
'cause if you were my girlfriend (my girlfriend)  
I'd be your shining star (be your shining star yeahh)  
The one to show you where you are

Girl you should be my girlfriend (you make my heart  
sing)
