Here we go...

CHORUS:

Here we go, one more time
Everybody's feeling fine
Here we go now
(Yes yes yes, here we go)
('N Sync has got the flow)
Bounce your head to the beat
We've got everything you need
Here we go now
(Yes yes yes, here we go)
('N Sync has got the flow)

Here we go just one more time
And everybody's feeling fine
Here we go now
Here we go, yeah
If you wanna party with us
Just feel free and feel the rhythm
Here we go now
Here we go

You know the party's here
Sing along and have no fear
'N Sync is here to make you people scream
Now is the time for us to reunite
Come on party people, there's a party going on tonight

Tonight is the night
Everything's gonna be all right
Just get up, feel the flow
And here we go

CHORUS

Let's sing it one more time
Everybody's feeling fine
We've got the skills to keep this party pumping baby
(Keep dancing all night long)
Until the break of dawn
(Break of dawn, oh)

Come on party people, there's a party going on tonight

Tonight is the night
Everything's gonna be all right
Just get up, feel the flow
And here we go

CHORUS

(Keep dancing all night long)
Yeah
(Break of dawn, oh)
You gotta do what you feel, do what you like yeah
(Keep dancing all night long)
Come on and keep on dancing
(Break of dawn, oh)
Here we go...here we go

Here we go, one more time
Everybody's feeling fine
Here we go now
(Yes yes yes, here we go)
('N Sync has got the flow)
Bounce your head to the beat
We've got everything you need
Here we go now
(Yes yes yes, here we go)
('N Sync has got the flow)

Here we go just one more time
And everybody's feeling fine
Here we go now
Here we go, yeah
If you wanna party with us
Just feel free and feel the rhythm
Here we go now
Here we go
