(Dialing, phone ringing)
Operator

Oh ya
I'll never stop

ooh no
Do you believe me,
After all that's said and done
All the lies, how I regret them baby now
I am the loser
when you shining like the sun
Tell me why can't I still be the one?
All right

Chorus:
I will never stop
Until you're mine
I can wait forever till the end of time
Coz my heart is in your hands
don't you understand
I'll never stop
I'll never stop

How could I ever
when my heart is in your hands
and I know baby there is not turning back
They say that I'm crazy
and I kind of understand
How I wish for this nightmare to end
Oh yes

Chorus

Yeah ay
I'll never stop
Oh oh oh,
Do you believe me
When my heart is in your hands
Don't you understand

I'll never stop {I will never stop}

Till the end of time {I will wait forever}
My heart is in your hands {My heart is in your hands}

Chorus

(Busy signal)
Please hang up and try your call again
Please hang up, this is a recording
