If I'm not the one you want
Take your time to figure out

I'm starin at your picture every night
The scent of you still lingers in my mind
I wonder if your alone and feel alright
And the sun has come out of the clouds

And sometimes when I listen to our song
The night seems so cold and far too long
I wanna call you up cuz in the end
I keep writing letters to my garbage can

Bridge:
Lately, feels like I'm going crazy and
Baby, come and lay down beside me

Chorus:
If I'm not the one you want
Then who's he?
Take your time to figure out
And you'll see
If I'm not the one you want
Then maybe
I'll be the one you need

I feel likes it's on you I can depend
Wish I could turn back the hands of time
Enough of building castles in the sand
Why can't we be forever

(Bridge)

(Chorus 2x's)

Somewhere in the back of my mind
I know that you will be mine
And somehow
Wish I could rewind
And leave all my worries behind

And If I'm not the one you want

I'll be the one you need
Take your time to figure out
I'll be the one you need

(Chorus)

I'll be the one you need
