Ooh yeah

I'll...

I'll...

I'll never stop

I don't know

Will you believe me

After all that's said and done

All the lies

How I regret them baby now

I'm the loser

And you're shining like the sun

Tell me why can't I still be the one

Alright

Chorus:

I'll never stop untill you'll mind

I can wait forever till the end of time

Cause my heart is in your hands

Don't you understand

I'll never stop

I'll never stop

How could I ever

When my heart is in your hands

And I know

Baby there is no turning back

I'll

Say that I'm crazy

And I kind of understand

How I wish for this nightmare...to end

Oh yeah

Repeat Chorus

Yeaa
I'll never stop

Ooh ooh ooh ooohohoh

Do you believe me
When your heart is in my hand

Don't you understand

I'll never stop (I'll never stop)
Till the end of time (I can wait forever)
My heart is in your hand (My heart is in your hand)
I'll never stop
Until your mine
I'll wait forever till the end of time
Cause my heart is in your hand

Don't you understand
I'll never stop
