Jingle bells, Jingle Bells, Jingle all the way  
Jingle bells, Jingle Bells, Jingle all the way  
Jingle bells, Jingle Bells, Jingle all the way  
Jingle bells, Jingle Bells, Jingle all the way  
Christmas time  
Is so special  
When you're kissing me  
Under the mistletoe  
Exchanging love and gifts  
Sitting in front of the tree  
Me holding you  
And you holding me

We'll share  
I've prayed  
To be loved  
On Christmas  
Because Christmas love gives me that feelin'  
We'll share  
I've prayed  
To be loved  
On Christmas  
Because everybody should be in love with somebody  
on Christmas

Last year, Christmas  
It happened without us  
I was all mixed up and confused  
I didn't know what to do, baby  
I never thought I'd feel this way  
I always thought Christmas was a happy day  
I always prayed that Santa'd pack love on a sleigh and  
send it my way

We'll share  
I've prayed  
To be loved  
On Christmas

Because Christmas love gives me that feelin'  
We'll share  
I've prayed

To be loved  
On Christmas  
Because everybody should be in love with somebody  
on Christmas

What a beautiful time it is  
A time to open gifts  
And play with all the kids  
Yes it's Christmas  
Yes it's Christmas time again  
Girl I love you  
Yes I love you  
It's Christmas time again

To be loved  
On Christmas  
Girl I love you baby  
Yes I love you baby  
What a beautiful time it is  
A time to open gifts  
Yes now it's Christmas time  
Now I am yours and you are mine  
Oh when you kissing me  
Right under my Christmas tree  
Baby come close to me  
'Cause this is how it should be

We'll share  
I've prayed  
To be loved  
On Christmas  
Because Christmas love gives me that feelin'  
We'll share  
I've prayed  
To be loved  
On Christmas  
Because everybody should be in love with somebody  
on Christmas
