Techy Ruse

I'm sick and tired hearing all these people study about  
What's the deal with this school life and when is it  
gonna fade out?  
The thing you've got to realise what we're doing is  
James Ruse trend  
We've got the books Â'til insanity, we're gonna study to  
the end

CÂ'mon now...  
It doesn't matter  
'Bout the textbooks that I balance on my head  
All that matters  
Is that you recognize that it's just about results  
It doesn't matter  
'Bout the books I read, or what I learn and why  
All that matters  
Is that we're the best and we top you every time

CÂ'mon now...  
Do you every wonder why  
The study gets you high?  
It takes you on a ride  
You feel it when your  
Brain starts to fry  
Your social life will die  
And the books' are all you've got  
This must be...RUSE!

Techy Ruse  
Nerd, nerd you can't stop  
I know you love this  
Techy Ruse  
This must be...

Now, why is the highest UAI your passion through and  
through?  
Why can't you chill and do the things you once used to  
do?  
If a day without your math book will cut like a knife,  
Drop your pens and burn your notes and go and get a

life...

It doesn't matter  
That I don't need a calculator  
All that matters  
Is that you recognize it's just about results  
It doesn't matter  
'Bout the news I watch, or news I read, and why  
All that matters  
Is that we're the best and we'll top you anytime

CÂ'mon  
Do you every wonder why (why?)  
The study gets you high? (gets you high)  
It takes you on a ride  
You feel it when your  
Brain starts to fry (brain starts to fry)  
Your social life will die (life will die)  
And the booksÂ' are all you got (nerd, c'mon!)  
This must be...

Ooooooh, I'll never get tired of study

Techy, techy, techy

Techy Ruse

Do you ever wonder wonder wonder why

Do you every wonder why (ever wonder why?)  
The study gets you high? (study gets you high)  
It takes you on a ride  
You feel it when your  
Brain starts to fry (brains start to fry)  
Your social life will die (life will die)  
And the booksÂ' are all you got (c'mon now)  
This must be...

Do you every wonder why (every wonder why?)  
The study gets you high? (study gets you high)  
It takes you on a ride  
You feel it when your  
Brain starts to fry (brains start to fry)  
Your social life will die (life will die)  
And the booksÂ' are all you got  
This must be...RUSE!
