It's gonna be me

You might been hurt babe that ain't no lie  
You've seen them all come and go, oh  
I remember you told me that it made you believe in  
No man no cry maybe that's why

Every little thing I do never seems enough for you  
You don't wanna lose it again but I'm not like them  
Baby when you finally get to love somebody  
Guess what, it's gonna be me

You've got no choice, babe but to move on  
And you know there ain't no time to waste  
'Cause you're just too blind, to see  
But in the end you know it's gonna be me  
You can't deny so just tell me why

Every little thing I do never seems enough for you  
You don't wanna lose it again but I'm not like them  
Baby, when you finally get to love somebody  
Guess what, it's gonna be me

It's gonna be me

There comes a day when I'll be the one  
You'll see, it's gonna-gonna-gonna-gonna  
It's gonna be me

All that I do is not enough for you  
I don't wanna lose it but I'm not like that  
When finally you get to love  
Guess what, it's gonna be me

Every little thing I do never seems enough for you  
You don't wanna lose it again but I'm not like them  
Baby, when you finally get to love somebody  
Guess what it's gonna be me

Every little thing I do never seems enough for you  
You don't wanna lose it again but I'm not like them  
Baby, when you finally get to love somebody

Guess what it's gonna be me
