My shattered dreams and broken heart are mending
on the shelf.

I saw you holding hands, standing close to someone
else.

Still I sit all alone, wishing all my feelings were gone.
I gave my best to you, nothing for me to do..

Chorus:

But have one last cry, one last cry, Before I leave it all
behind. I got to put you out of my mind, this time,
believe a lie, I guess I'm down to my last cry.

I was here, you were there, guess we never could
agree.

While the sun shines on you, I need some love to rain
on me.

Still I sit all alone, wishing all my feelings were gone.
Gotta get over you, nothing for me to do...

Chorus:

But have one last cry, one last cry, before I leave it all
behind. I got to put you out of my mind, this time,
believe a lie, I know I've gotta be strong, cause 'round
me life goes on and on, and on and on...ohh..

Im gonna dry my eyes, right after I get my..

Chorus:

One last cry, one last cry, before I leave it all behind, I
got to put you out of my mind for the very last time,
believe a lie, I guess Im down, I guess Im down, I guess
Im down, to my last cry.
