'N Sync-Someday, Somewhere

When clouds above you
Start to pour
And all your doubts
Break like a storm
And you don't know
What you already know
Let me help you find
What you've been searching for

*CHROUS:

(Somewhere)
Somewhere there's a fields and a river
(Somewhere)
You can let your soul run free
(Someday)
Someday let me be the giver
Let me bring you peace
(Somewhere)
Somewhere there's a break in the weather
(Somewhere)
Where your heart and spirit go free
(Someday)
Someday it'll be for the better
Let this bring you peace*

Girl I know you
Think no one see's
The weight on your shoulders
but you cant fool me
and aren't you tired
of standin' so tall?
let me be the one
to catch you when you fall

CHORUS

Let me bring you joy
(bring you joy)
Let me bring you peace

(bring you peace)
Take these tears that you cry
and trust them to me
Let me give you hope
(give you hope)
Be the one constant love
that you've never known

CHORUS
