When clouds above you start to pour
And all of your doubts
Rain like a storm
And you don't know who you are anymore
Let me help you find what you've been searching for

Somewhere...
Somewhere there's a field and a river
Somewhere...
You can let your soul run free
Someday...
Someday let me be the giver
Let me bring you peace
Somewhere...
Somewhere there's a break in the weather
Somewhere...
Where your heart and spirit go free
Someday...
Someday it'll be for the better
Let this bring you peace
Girl, I know you, think no one sees
The weight on your shoulders
But you can't fool me
And aren't you tired of standing so tall
Let me be the one to catch you when you fall

Somewhere...
Somewhere there's a field and a river
Somewhere...
You can let your soul run free
Someday...
Someday let me be the giver
Let me bring you peace baby
Somewhere...
Somewhere there's a break in the weather

Somewhere...
Where your heart and spirit go free
Someday...
Someday it'll be for the better
Let this bring you peace...

Let me bring you joy (bring you joy)
Let me bring you peace (bring you peace)
Take these tears that you cry and trust them to me
Let me give you heart (give you heart)
And let me give you hope (give you hope)
Be the one constant love that you've never known...

Somewhere...
Somewhere there's a field and a river
Somewhere...
You can let your soul run free
Someday...
Someday let me be the giver
Let me bring you peace baby
Somewhere...
Somewhere there's a break in the weather
Somewhere...
Where your heart and spirit go free
Someday...
Someday it'll be for the better
Let this bring you peace

Somewhere,
Someday
Let me be the one
Let me be the one to catch you when you fall
Somewhere *[repeat]*
Let me bring you peace...
Somewhere...
