Yeah

This is wheres the party's at
(This is wheres the party's at)

Come on babe

This is wheres the party's at
(this is wheres the party's at)

This is wheres the party's at

Monday morning till Friday afternoon

Stressin' me out

But tonight the weekend comes around

And it's time to break out

Everyone needs some time,

Time to get away,

Baby come free your mind

(Free your mind and free your soul)

This is your night to shine If you wanna play

Baby it's okay (Its okay to loose control now)

If you wanna grove now,

This is wheres the party's at

Gotta make you move now,

This is wheres the party's at

Everybody gettin in the zone,

This is wheres the party's at

Everybody come on.

This is wheres the party's at

Don't let them make you.. (uh)

Forget your problems (hey)

Forget all your fears (fears)

Whatever your wishes (wishes)

Your secret fantasies

Well take you their

Oh yeah

Throw all your hands up high so that i can see

Dance like you just don't care

Raise your hands let them (raise the roof)

Whatever you want to try it's all good with me.

No no

Its all good with me
Their aint nothing you can't do now

If you wanna grove now,
This is wheres the party's at
Gotta make you move now,
This is wheres the party's at
Everybody gettin in the zone,
This is wheres the party's at
Everybody come on.
This is wheres the party's at

Everything that youve been missing in your life
You can find inside this song
And that song that really matters tonight
So (Party Party) all night long.....

(J J J am X4)

Come on now
Pump It up
To the left
Pump It up
Now to the right
Pump it Up
Everybody
Pump it up
Come on
Pump It up
Pump it up
Pump it up
Let me see ya
Pump it up
Here we go
Pump It up

If you wanna grove now,
This is wheres the party's at
Gotta make you move now,
This is wheres the party's at
Everybody gettin in the zone,
This is wheres the party's at
Everybody come on.
