(Uh, \*chuckles\*, Ooh, Hey yeah, yeah)

Girl when we started baby we were friends  
But thats not how this fairy tale is gonna end  
See I was thinkin' and it clicked one day (clicked one day)  
That no one else has ever made me feel this way  
Next time I saw you girl I knew I had to try  
To tell you everything that I was feeling deep inside  
So listen good cuz what I say is from my heart  
So if youre ready

You see I toss and turn when Im alone  
And I just cant wait till you get home  
Waitin for your call cuz tonight were gonna do it all  
Girl its just the two of us  
Cuz Im thinkin bout you day and night  
And I just cant get you off my mind  
When you get a minute baby I was thinkin we could  
hook up  
Its just the two of us  
The two of us  
Cause in a room full of people youre the only one  
around  
And nothing in this world could ever bring us down  
Baby Ill be there tellin you I care  
This I swear  
Girl its just the two of us  
The two of us

Baby I wonder if you feel the same as I do  
I wonder if youre goin through the things Im goin  
through  
I sent you flowers on a Saturday  
Insides a letter with a message and no name  
See I just love the feelin' knowin' I can make you smile  
And I havent felt that way about someone in quite a  
while  
Just listen to these words I have to say  
Just take a chance

You see I toss and turn when Im alone  
And I just cant wait till you get home  
Waiting for your call cuz tonight were gonna do it all  
Girl its just the two of us  
Cuz Im thinkin bout you day and night  
And I just cant get you off my mind  
When you get a minute baby I was thinkin we could  
hook up  
Its just the two of us  
The two of us  
Cuz in a room full of people youre the only one around-
