One day when I came home at lunchtime  
I heard a funny noise  
Went out to the back yard to find out if it was  
One of those rent boys  
Stood there was my neighbour called Peter  
And a Flux Capacitor

He told me he built a time machine  
Like the one in the film I've seen  
Yeah yeah... he said...

I've been to the Year 3000,  
Not much has changed but they lived under water,  
And your great, great, great grand daughter,  
Is pretty fine (is pretty fine)

He took me to the future in the flux thing and I saw  
everything,  
Boybands and another one and another one ... and  
another one!  
Triple breasted women swim around town... totally  
naked!

We drove around in a time machine,  
Like the one in the film I've seen..  
Yeah yeah ... he said...

I've been to the Year 3000,  
Not much has changed but they lived under water,  
And your great, great, great grand daughter,  
Is pretty fine (is pretty fine)

I took a trip to the Year 3000  
This song had gone multi-platinum  
Everybody brought our 7th album  
It had outsold Michael Jackson
