You'll never know  
What you've done for me  
What your faith in me  
Has done for my soul

You'll never know  
The gift you've given me  
I'll carry it with me  
(Yeah, yeah)

Through the days ahead  
I think of days before  
You made me hope for something better  
(Yes, you did)  
And made me reach for something more

You taught me to run  
You taught me to fly  
Helped me to free the me inside  
Help me hear the music of my heart  
Help me hear the music of my heart

You've opened my eyes  
You've opened the door  
To something I've never known before  
And your love  
(Love)  
Is the music of my heart  
(Music of my heart)

You were the one  
Always on my side  
(Always on my side)  
Always standing by  
(Always standing by)  
Seeing me through

You were the song  
That always made me sing  
I'm singing this for you  
(Singing this for you, baby)

Everywhere I go  
I think of where I've been  
(Think of where I've been)  
And of the one who knew me better  
Than anyone ever will again

You taught me to run  
You taught me to fly  
Helped me to free the me inside  
Help me hear the music of my heart  
Help me hear the music of my heart

You've opened my eyes  
You've opened the door  
(You opened the door)  
To something I've never known before  
And your love  
(Your love)  
Is the music of my heart

What you taught me  
Only your love could ever teach me  
You got through when no one could reach me  
Ohh, ohh, ohh

'Cause you always saw in me  
All the best that I could be  
It was you who set me free

You taught me to run  
You taught me to fly  
Helped me to free the me inside  
(Me inside)  
Help me hear the music of my heart  
Help me hear the music of my heart

You taught me to run  
You taught me to fly  
Helped me to free the me inside  
(Me inside)  
Help me hear the music of my heart  
(Music of my heart)  
Help me hear the music of my heart

You've opened my eyes  
You've opened the door  
(Opened the door)  
To something I've never known before  
(Never, never, felt before)  
And your love  
Is the music of my heart

Music of my heart  
Music of my heart  
Is the music of my heart
