Snowy night where it's warm here by the fire
Here with you, I have all that I desire
It's been a long year but somehow we got by
Now it's Christmas Eve and love is on our side

I don't need a hundred gifts beneath the tree
Don't you know the best thing you could give to me
Nothing else will do, all I want is you this Christmas

Children sing Christmas carols at our door
Spreading joy that's what Christmas time is for
Though we don't have much you've got me and I've got
you
And with a little faith miracles come true

And I don't need a hundred gifts beneath the tree
Don't you know the best thing you could give to me
Nothing else will do, all I want is you this Christmas

I don't want the love of any other girl
I want only one thing in this whole wide world
Nothing else will do all I want is you this Christmas

Cheek to cheek the lights are low
A kiss beneath the mistletoe
Your face lit by the fire's glow
That's all I want tonight

And I don't need a hundred gifts beneath the tree
Don't you know the best thing you can give to me
Nothing else will do, all I want is you this Christmas
Nothing else will do, all I want is you this Christmas,
yeah
