Snowy night, where it's warm here by the fire
Here with you, I have all that I desire
(Here with you)
It's been a long year but somehow we got by
Now, it's Christmas eve and love is on our side

I don't need a hundred gifts beneath the tree
(Beneath the tree)
Don't you know the best thing you could give to me
Nothin' else will do, all I want is you this Christmas
(This Christmas, this Christmas)

Children sing Christmas carols at our door, yeah, yeah,
yeah
(Children sing)
Spreading joy, that's what Christmas time is for
(Spreading joy)
Though we don't have much, you've got me and I've
got you
Yeah, yeah, yeah and with a little faith miracles come
true

And I don't need a hundred gifts beneath the tree
(Beneath the tree)
Don't you know the best thing you could give to me
Nothin' else will do, all I want is you this Christmas
(This Christmas, this Christmas)

I don't want the love of any other girl
I want only one thing in this whole wide world
Nothing else will do, all I want is you this Christmas
(This Christmas, this Christmas)

Cheek to cheek, the lights are low, a kiss beneath the
mistletoe
Your face lit by the fire's glow, that's all I want tonight

And I don't need a hundred gifts beneath the tree
Don't you know the best thing you could give to me
Nothin' else will do, all I want is you this Christmas
(This Christmas, this Christmas)
Nothin' else will do, all I want is you this Christmas, yes
