The last time I saw you, you turned away  
I couldn't see you with the Sun shining in my eyes  
I said "Hello" but you kept on walking  
I'm Going deaf from the sound of the freeway

The Last time I saw you, you turned away  
I couldn't hear you with your voice ringing in my ears  
Do you remember where we used to sleep at night  
I couldn't feel you, your always so far away

The first time I saw you, you turned away  
I couldn't see you with the smoke getting in my eyes  
I said "Hello" but you kept on walking  
I'm Going deaf from the sound of the DJ

The first time I saw you, you turned away  
I couldn't hear with the noise ringing in my ears  
Do you remember where we used to sleep at night  
I couldn't feel you, your always so far away

I don't, don't wanna take you home  
Please don't, don't make me sleep alone  
If I could, I'd only want to make you smile  
If you were to stay with me a while

The next time I see you, you'll turn away  
I'll say "Hello" but you'll keep on walking  
The next time you see me, I'll turn away  
Do you remember where we used to sleep at night,  
I couldn't feel you, you're always so far away

I don't, don't wanna take you home  
Please don't, don't make me sleep alone  
If I could, I'd only want to make you smile  
If you were to stay with me a while

I don't, don't wanna take you home  
Please don't, don't make me sleep alone  
If I could, I'd only want to make you smile  
If you were to stay with me a while
