Dirty pop, yo

Sick and tired of hearin' all these people talk about
What's the deal with this pop life and when is it gonna
fade out?

The thing you got to realize, what we doin' is not a
trend

We got the gift of melody, we gonna bring it 'til the
end, c'mon now

It doesn't matter about the car I drive or what I wear
around my neck

All that matters is that you recognize that it's just about
respect

It doesn't matter about the clothes I wear and where I
go and why

All that matters is that you get hyped and we'll do it to
you every time

C'mon now, do you ever wonder why this music gets
you high?

It takes you on a ride, feel it when your body starts to
rock

Baby, you can't stop and the music's all you got
C'mon now, this must be pop

Dirty pop, baby you can't stop

I know you like this dirty pop, this must be

Now, why you wanna try to classify the type of thing
that we do?

'Cause we're just fine doin' what we like, can we say the
same for you?

Tired of feelin' all around me animosity, just worry
about yours

'Cause I'ma get mine, now people can't you see

It doesn't matter about the car I drive or the ice around
my neck

All that matters is that you recognize that it's just about
respect

It doesn't matter about the clothes I wear and where I

go and why
All that matters is that you get hyped and we'll give it to
you every time

C'mon, do you ever wonder why this music gets you
high?
It takes you on a ride, feel it when your body starts to
rock
Baby, you can't stop and the music's all you got
Baby c'mon, this must be, ooh ooh, man I'm tired of
singin'

Dirty, dirty, dirty pop
Dirty pop, do you ever wonder?

Do you ever wonder why this music gets you high?
It takes you on a ride, feel it when your body starts to
rock
Baby, you can't stop and the music's all you got
C'mon now, this must be

Do you ever wonder why this music gets you high?
It takes you on a ride, feel it when your body starts to
rock
Baby, you can't stop and the music's all you got
This must be

Do you ever wonder why this music gets you high?
It takes you on a ride, feel it when your body starts to
rock
Baby, you can't stop and the music's all you got
Baby c'mon, this must be pop, pop
