Tell me, tell me ... baby

Oh ho Hold on Uh, you know what?

Can we back it up just a little bit?

I said why do, I said why? Why?

Tell me, tell me, tell me, tell me...

Oh oh, Yeah, yeah

We were born the same day

We even think the same way

It couldn't be more right

We are what they call a perfect match

It's something that you can't touch

Down to the last bone, you're my baby

But to be honest there's just one thing

A part that is missing

You don't seem to care at all

Tell me, tell me...baby

How come you don't wanna love me?

Don't you know that I can't breathe without you

Tell me, tell me...just how

What am I supposed to do right now?

Why can't you love me?

Why? Tell me, my baby

Now from the moment we met

I thought that I was all set

How could I be so wrong?

Now I'm hearing that you're seeing someone new

And I wanna know who

But does he love you like I do, My baby?

Whatever that's missin'

So tell me baby now

Tell me, tell me...baby
How come you don't wanna love me?
Don't you know that I can't breathe without you
Tell me, tell me...just how
What am I supposed to do right now?
Why can't you love me?
Why? Tell me, my baby

Gettin' under my skin
For messin' up my mind
Never lettin' me into your life and
Tell me baby
How come you don't wanna love me
And am I supposed to live without
If there is no way, To make you
Feel the same way too, Damn you

Tell me, tell me, Tell me, tell me
We were born the same day
We even think the same way
We are what they all call a Perfect match

Tell me baby
How come you don't wanna love me?
Don't you know that I can't breathe without you
Tell me, tell me...just how
What am I supposed to do right now?
Why can't you love me?
Why? Tell me my baby

Tell me, tell me..baby
How come you don't wanna love me?
Don't you know that I can't breathe without you?
Tell me, tell me...just how?
What am I supposed to do right now?
Why can't you love me?

Tell me, tell me, tell me why
Tell me, tell me, tell me (oh) yeah
Tell me, tell me, tell me yeah Oh
I said tell me baby
Tell me, tell me, tell me yeah
Tell me, tell me, tell me yeah
