Uh, oh
Hey yeah yeah

Girl when we started baby we were friends
But that's not how this fairy tale is gonna end
See I was thinking then it clicked one day
(Clicked one day)
That no one else has ever made me feel this way

Next time I saw you girl I knew I had to try
To tell you everything that I was feeling deep inside
And listen good 'cause what I say is from my heart
So if you're ready

You see I toss and turn when I'm alone
And I just can't wait 'til you get home
Waiting for your call 'cause tonight we're gonna do it
all
Girl it's just the two of us

'Cause I'm thinking 'bout you day and night
And I just can't get you off my mind
When you get a minute baby I was thinking we could
hook up
It's just the two of us, the two of us

'Cause in a room full of people you're the only one
around
And nothing in this world could ever bring us down
Baby I'll be there telling you I care this I swear
Girl it's just the two of us, the two of us

Baby I wonder if you feel the same as I do
I wonder if you're going through the things, I'm going
through
I sent you flowers on a Saturday
(Saturday)
Inside's a letter with a message and no name

See I just love the feeling, knowing that I can make you
smile
And I haven't felt that way about someone in quite

awhile
Just listen to these words I have to say
Just take a chance
(Take a chance)

You see I toss and turn when I'm alone
And I just can't wait 'til you get home
Waiting for your call 'cause tonight we're gonna do it
all
Girl it's just the two of us

'Cause I'm thinking 'bout you day and night
And I just can't get you off my mind
When you get a minute baby I was thinking we could
hook up
It's just the two of us, the two of us

'Cause in a room full of people you're the only one
around
And nothing in this world could ever bring us down
Baby I'll be there telling you I care this I swear
Girl it's just the two of us, the two of us

It just gets better with each day
(Maybe someday)
I always wanted to tell you but I was so afraid

You see I toss and turn when I'm alone
And I just can't wait 'til you get home
Waiting for your call
(Waiting for your call)
'Cause tonight we're gonna do it all
(Gonna do it all)
Girl it's just the two of us

'Cause I'm thinking 'bout you day and night
And I just can't get you off my mind
When you get a minute baby I was thinking we could
hook up
(Oh yeah)
It's just the two of us, the two of us

'Cause in a room full of people you're the only one
around
And nothing in this world could ever bring us down
Baby I'll be there telling you I care this I swear
(I swear)
Girl it's just the two of us, the two of us
Oh, hey yeah yeah
