The visions around you  
Bring tears to your eyes  
And all that surrounds you  
Are secrets and lies

I'll be your strength, I'll give you hope  
Keepin' your faith when it's cold  
The one you should call  
Standing here all alone

And I will take you in my arms  
And hold you right where you belong  
Till the day my life is through  
This I promise you, this I promise you

I've loved you forever  
In lifetimes before  
And I promised you never  
Would you hurt anymore

I give you my word, I give you my heart  
(Give you my heart)  
This is a battle we've won  
And with this vow  
Forever has now begun

Just close your eyes  
(Just close your eyes)  
Each loving day  
(Each loving day)  
And know this feeling won't go away  
(No)  
Till the day my life is through  
This I promise you, this I promise you

Over and over I fall  
(Over and over I fall)  
When I hear you call  
Without you in my life, baby  
I just wouldn't be livin' at all

And I will take you in my arms

(And I will take you in my arms )  
And hold you right where you belong  
(Right where you belong)  
Till the day my life is through  
This I promise you, babe, yeah

Just close your eyes each loving day  
And know this feeling won't go away  
Every word I say is true  
This I promise you

Every word I say is true  
This I promise you, I promise you  
I promise you
