Oh
Right now baby
Soon as the stars shine
I'm gonna make you mine, oh baby

You got it, I want it, I'll do whatever it takes
You got it, I need it, your love is what makes my heart
break

Let me tell you how I feel
I need your lovin' girl give in to me
Never met a girl like you
I know you'll like the crazy things people do

Walking slowly through the rain, without worries there's
no pain
When you see a shooting star, all your problems seem
so far
If you feel true love and trust, girl just give me all you
got
'Cause girl you got the love I need

You got it, I want it, I'll do whatever it takes
You got it, I need it, your love is what makes my heart
break
You got it, you got it

You are in my dreams at night
Whatever I do you're always on my mind
I can't wait until the day
When you and me are one in love to stay

Walking slowly through the rain, without worries there's
no pain
When you see a shooting star, all your problems seem
so far
If you feel true love and trust, girl just give me all you
got
Girl you got the love I need

You got it, I want it, I'll do, whatever it takes
You got it, I need it, your love is what makes my heart

break

You got it, I want it, I'll do whatever it takes
You got it, I need it, your love is what makes my heart
break

Just give me all your love, I got to have all your love
Just give me all your love, I got to have all your love
Just give me all your love, I got to have all your love
Just give me all your love, I got to have all your love

You got it, I want it, and I'll do whatever it takes
You got it, I need it, your love is what makes my heart
break
Give me your love
