Na Na Niiii  
(Yeah)why dont you come over  
(Yeah) Warm up your cold shoulder  
(Yeah) Yeah we can get crazy baby all night before we  
got sober  
Look at yourself  
Now that aint good for your health  
If you carry on burning hot much longer the floor  
beneath us gon melt  
Follow to me to the bar baby  
Otherwise we can take it to my Mercedes  
Push on my gear stick and I'll drive you crazy  
Take a look at the time  
Baby quit playing games cuz the suns bout ro rise  
We've been here  
All night  
Only live once so we might as well act like this  
Why dont you come over  
Warm up your cold shoulder  
We can get crazy baby all night before we get sober  
Wait for hangoverrs  
Something for ya  
Im gonna keep you up  
Im gonna keep you up  
Why dont you come over  
Warm up your cold shoulder  
We can get crazy baby all night  
Before we get sober  
Wait for hangovers

Something important  
Im gonna keep you up tonight  
(Instrumental)  
Take a look  
At the time  
Baby quit playin games cuz the suns bout to rise  
We've been here all night  
Only live once so we might as well act like this

X2  
Why dont you come over  
Warm up your cold shoulder

We can get crazy baby all night before we get sober  
Wait for hangovers  
Somethin important  
Im gonna keep you up tonight

No more talkin lets go  
What you standin there for  
Lets get tipsy  
Lets get wasted  
Then we'll party some more  
No more talkin lets go  
I just cant wait no more  
Its time to hit the floor now  
Im gonna give you up

X2  
Why dont you come over  
Warm up your cold shoulder  
We can get crazy baby all night before we get sober  
Wait for hangover  
Something for yah  
Im gonna keep you up  
Im gonna keep you up
