Featuring: Chipmuck

Yes, it's is N-Dubz, yes it is  
Chipmunk, ay, listen to I in it

You believe, you believe, you believe, you're a 'G'  
'Cause you went to the park with your friends  
And let a shot off in the sky  
I'm a 'G' 'cause if I go to this showroom  
I don't have to ask for no discount for what ever I'm  
gonna buy

Chuck in the door, tell him I'ma see him in the nearby  
future  
When I wanna never ride, got the whole country  
shoutin' na, na, nai  
Just because you got one tune on the screen  
Why you goin' round west with shades on your face  
Fake chain on your neck posin' to be seen, you should  
get rush

I did 280 shows last year  
I bagged seven bills every show that's rare  
Imagine how my bank will look next year  
I believe, I believe

I will defeat you, should never mention me  
If he comes on top and I ring a man  
His reply will be like, don't worry I will be there asap

I will eat you, don't wanna \*\*\* with me  
Don't get on the wrong side of me  
I'm giving you to the count of 3, 2, 1

You believe, you believe  
You can mention me like I haven't opened doors  
I'm the reason, DJ's pay these kids  
I'm done supportin' the cause

Hold up pause, how could you mention the best?  
You ain't never seen no royalty checks  
You will never go to places I went

Dawg, I'm moving up PRS

These kids better done with the indirects  
Naw, you don't wanna see, I vex, I'ma lured to the mic  
I hear you pray for my end, you can get stuffed

I got a bad boy album ready for the stores

MySpace views that, I will piss on yours  
A face that the ladies like of course  
I believe, I believe

I will defeat you, should never mention me  
If he comes on top and I ring a man  
His reply will be like, don't worry I will be there asap

I will eat you, don't wanna \*\*\* with me  
Don't get on the wrong side of me  
I'm giving you to the count of 3, 2, 1

I remember the days we were poor  
When five men would chip in for a £10 draw  
That's £2 each when days were so raw  
Now we're touring abroad and achieving awards

So if somebody was to take my freedom away I would  
hate that  
Therefore if I got any problem, all I'd have to do is ring  
my guy  
And he'll deal with it asap

When girls see me there like, ain't that the ha ha, girl?  
You giving me a screw face and I, I'll show you what ha  
ha means  
I'm not a trouble maker, but if you bring it to me I will  
break ya  
I'm a little chick and not a \*\*\*  
Young with a dream, I'm tryin' get rich

I will defeat you, should never mention me  
If he comes on top and I ring a man  
His reply will be like, don't worry I will be there asap

I will eat you, don't wanna \*\*\* with me  
Don't get on the wrong side of me  
I'm giving you to the count of 3, 2, 1

I will defeat you, should never mention me  
If he comes on top and I ring a man  
His reply will be like, don't worry I will be there asap

I will eat you, don't wanna \*\*\* with me  
Everyone I roll with is trustworthy  
I'm giving you to the count of 3, 2, 1

Yo, 2008 or should I say great  
'Cause it's N-Dubz and Chippy on the feature  
An' freakin, now are you sick?  
Dus init
