Tonights gonna be a next ting.
i swear down its gonna be a mad one
if u feel like u deserve a night off come with DAP's
coz its gonna be a mad one
belive were gonna have some mad fun
Shh...One more thing many thanx to the fans cos we
just went platnium

i dont wanna go to sleep i just wanna stay awake,
get off my face come we'll have a couple more
all dese people keep on buyin and im feeling like im
flying
I aint thinkin bout the door.

Yo Yo im feeling like a king head spinnin
No new straight whisky on the rocks cant stop sippin
Mans boggin at me like he's trippin jus cos his girl sed
to him yhit is him.
why u insecure for no more need to hog (no need)
i dont want her.
watch out for my dogs though cos they will holla.
So suffer for the rest of the night tryin to watch her ima
free man
why do u both?
after this club finished were goiin to freemore
whos gonna be the lucky one to sit on my see-saw.
Paid mums bills im just tryin to take a break
i dont wanna go to sleep i just wanna stay awake.

I swear i think i owe this night to my self,
me and my friends what more can i ask for.
so grab a drink and follow meee.

i dont wanna go to sleep i just wanna stay awake,
get off my face come we'll have a couple more
all dese people keep on buyin and im feeling like im
flying
I aint thinkin bout the door.

Watch me shine ima star.
Step into the club like they no who we are drink a few,
thats my cue to take over this place.

spotlights on my face
all the boys want to taste so they can take a look but
dont touch (dont touch)
Ladys watch dont hate dont hate.
i come to get smashed:i dont wanna go to sleep i just
wanna stay awake.

I swear i think i owe this night to my self, me and my
friends
what more can i ask for. so grab a drink and follow
meeee.

i dont wanna go to sleep i just wanna stay awake,
get off my face come we'll have a couple more
all dese people keep on buyin and im feeling like im
flying
I aint thinkin bout the door.

See me i keep i keep staring at my drink,
like i wanna down more but that will send me to sleep
what i need need is someone to come and be a freak
that will play with all parts of my body. s
o much cash money lick lick (lick me like a lollie)
as long as u dont want anything else from me (straight)
i sweari owe this night to myself
My CD's going nuts these aint any on the shelf.

Im feeling good baby i like how i should baby.
young fresh smells like sucess raise your glass for a
toast see!
Just sold 300.000 records so im feeling over the moon.

And i know where i come from therefor im grateful
bring anover round to the table ooh.

I dont wanna go to sleep (to sleep)
I just wanna stay awake (stay awake)
Get off my face,
come we'll have a couple more
all these keep on buyin and im feelin like im flyin
I aint thinkin bout the door

I dont want to go to sleep (to sleep)
i just wanna stay awake (stay awake)
Get off my face
Come we'll have a couple more
all these people keep on buying and im feeling like im
flying
I aint thinkin bout the door
