Yeah yeah daps up NWLRCTING and this is about a special day wich I will alway remember which will stay in my head intill the day I die just listen I remember the very first day when I first just ever met you yeah you looked so fine wilst you was sipping on wine you was waering a beautiful black dress and girl you looked so fine in it I realy liked the way you was wineing looking at me straghit in the eye wilst smiling and then they was on other option but to make a move I knew at the posific moment I had somthing to prove and so I got myself up off the chair and headed to the bar took 1 or 2 drinks I could go far and told you in the ear how sexy you realy are I only had 1 chane as I as I asked before and aked before I never seen a girl looking at me like my very own girlfriend forever I remember the very frist day when I remember the very first dat when I remember girl I put my eyes upon you I remember the very first day when I remember the very first day when I remember the very first dat when girl I put my eyes upon you back to that day till the days right know you know I'd damege a man for lookin at you anyhow and if you was ever down you know I'd round under about 10 minutes from the other side of town with a bottle of vodcur wrapped in a black plastic bag so when you take a sip you wont be a mad and ocors it's black realy and to top it up infrount of the wide screan tv wilst me and you was cracing up in the bed wilst watching jackass to be as rude and drity under the blankets hanky panky allnight long uh like yeah like those are the cind of memories that are to good to lose I'm mean I know I deserve you iv been the guy climbing so I can reach the top of your window to give you a good night kiss every time so it's a defenit I would do so many things for you and I would never make you cry I'm so danm thankful that I got you her right by my side any girl with that beautiful curly hair those beautiful shoes you ware and time after time I think to my self that I wouls never want to lose my very own girlfriends forever I remember the every first dat when I remember the very first day when I remember the very first day when girl I put my eyes upon you I remember the very first day when I remember the very first day when I remember the very

first day when girl I put my eyes upon you I remember  
the very first day when I remember the very first dat  
when I remember the very frist day when girl I put my  
eyes upon you I remember the very first day when I  
remember the very first day when I remember the very  
first day when girl I put my eyes upon you

Baby you know I love you right I'll alway love you and  
when I saw that curly hair in that time girl I put my eyes  
upon you I'll do any thing for you like I said there is only  
one come on
