Yo, I swear

I swear I miss the times when you would tie me to a  
chair  
And tease me from the back of my neck right up to my  
ear  
She would have me to herself, she didn't want nobody  
else  
But I see that was at the time

I see her kissing some other guy underneath the  
bridge  
I never thought she would have done a thing like this  
So I'm sorry make your way towards the door  
And never show your face again, bitch

So who do you think I am? Who do you think you are?  
What the fuck's this? What's he doing here?  
This are my apartment, tell him to duck home  
I swear, I get him stripped down to his boxers  
He's chilling and see time, end up in your library it  
looks

Tell me what do you see in a dude like this?  
He can't even look me in the eyes  
I can see straight through him, he's just a bitch  
Do you feel him 'cause he's rich and did you leave me  
'cause I'm broke?  
You was only with me yesterday, you still bustin' my  
coke

You know I'm a sicko, sicko like my local pubs owner  
What was Stanley Suk and ball screwdriver, straight  
canvas soldier  
I'ma fuck ya, thought you love me  
I mean these days you see me and you don't even hug  
me

Now you and I, yeah we share some thing special  
Are you out of your mind?  
But I'm really sorry give me one more try  
'Cause everything you do got me goin' and I just can't

lose this

Yeah, I swear, I swear I miss the times when you would  
tie me to a chair  
And tease me from the back of my neck right up to my  
ear  
She would have me to herself, she didn't want nobody  
else  
But I see that was at the time

I see her kissing some other guy underneath the  
bridge  
I never thought she would have done a thing like this  
So I'm sorry make your way towards the door  
And never show your face again, bitch

I swear I know I lied to you, I should've told the truth  
I couldn't hurt your feelings so I lied when I told you  
That I was chillin' with my girl when really I was  
somewhere else  
Baby if you gave me all the love I needed  
Then this wouldn't have happened

Have you forgotten the days when  
Where you did the same thing to me and I forgave you  
baby?

Now you and I, yeah we share something special  
Are you out of your mind?  
I'm really sorry give me one more try

'Cause everything you do got me goin' and I just can't  
lose this

I swear, I swear, I miss the times when you would tie  
me to a chair  
And tease me from the back of my neck right up to my

Yesterday morning coming home at 5:34  
The final show was canceled, I'm back early from tour  
Soon as I open the door I see a pair of shoes on the

floor  
I know they ain't mine, I'm hundred percent sure

Now there's wild thoughts just running through my  
head  
I'm thinkin of war, pacing up the stairs as quick as I can  
to the top floor  
Half way there, pick up a tool that's laying on the floor  
boards  
Saying Lord don't tell me this girl's turned to a whore

Who the hells shoes are these, I thought they were your  
new Nike's  
Don't take me for a fool, I don't wear shoes like these,  
so don't lie to me  
What do you mean? Where's he hiding?  
I know you got a man up in here so why the fuck you  
lyin?

You and I, yeah we share some thing special  
Are you out of your mind?  
But I'm really sorry give me one more try  
'Cause everything you do got me goin' and I just can't  
lose this

I swear, I swear I miss the times when you would tie me
