I Remember That Time  
When I Saw Your Face For The Last Time  
It Was Like I'd Never Cried So Much In My Life Before  
I Know Your Watching Us

She Had A Smile That Was So Neat  
Had A Voice That Was So Sweet  
I Even Used To Like It When She Kissed Me On The  
Cheek  
I Really Used To Love It When We Chilled On The Beach  
Whilst  
Listening To Beats  
It Was Funny Takin A Drag Of Her Fag Blazing At The  
Sun  
Always Looking Out For Me Like I Was Your Son  
Hate Picturing The State Of Your Mum  
Knowing She Lost Her Only Daughter That Never Made  
It To 21  
It All Started On Friday 13th Up In The Gaff  
Tryin To Persuade You To Come For A Drink  
But You Was Persistent To Stay  
I Could Tell By The Look In Your Eyes  
Something Was Moving The Wrong Way  
So Unfortunalty You Decided To Climb On The Back Of  
Your Mans Bike  
To Go On A Ride Whilst He Was Out Of His Head  
You Shoulda Been Here Instead  
But It Is To Late Your Already Lying Dead  
In A Hospital Bed.

Now Help Me To Talk About  
A Very Special Young Girl  
Who's Life Have Just Been Taken Away  
And I've Grown To Realize  
Apprieciate Each Other  
Today Could Be Your Last Day

I've Been Thinkin Bout All Of These Tradgies  
This Life Has Been Bad To Me  
And I've Just Been Wasting Away  
Everytime That I Think About The Way You Died  
My Chest Goes So Tight I Wanna Break Down And Cry

Somethings Really Wrong Inside  
No No Wooo

My Friend, I Never Thought I'd Say Goodbye  
Somebody Tell Me Why  
We Had To Loose You Like This  
My Friend, I Never Thought I'd Say Goodbye  
Somebody Tell Me Why

We're Missing You! We're Missing You! Ohh

Yoyoyo I Still Think About The Past  
Last Summer By The Tree Where We Played The Guitar  
And Had A Drink And A Laugh  
And After That You Would Lay Down And Show Me The  
Stars  
But Then 12 Months Later  
You Left Me Mentally Scarred  
To Hear That You Passed  
I Cried So Many Tears So Hard It Broke My Heart  
Knowing That You Died On The Same Bridge As Them 2  
Kids Did  
On Your Way To Buy A Pack Of Cigs  
But

If Only You (If Only You Would Listen When We Told You  
Our Plans)  
You Wouldnt Be (Where You Are Right Now 6 Feet  
Underground)  
If We Only Had A Second Chance (Yeah All That Would  
Be Forgotton  
Send You Back To This Earth Where You Deserve And  
By The Way  
Heres Something That We Wrote For Your 21st)  
Yeah

Everytime I Think About The Way You Died  
My Chest Goes So Tight I Wanna Break Down And Cry  
Somethings Really Wrong Inside  
No No Wooo

My Friend, I Never Thought I'd Say Goodbye  
Somebody Tell Me Why  
We Had To Loose You Like This  
My Friend, I Never Thought I'd Say Goodbye  
Somebody Tell Me Why  
We're Missing You! We're Missing You! Ohh

My Friend, I Never Thought I'd Say Goodbye  
Somebody Tell Me Why  
We Had To Loose You Like This

My Friend, I Never Thought I'd Say Goodbye  
Somebody Tell Me Why  
We're Missing You! We're Missing You! Ohh

I Never Thought I'd Say Goodbye  
Somebody Tell Me Why  
We Had To Loose You Like This  
My Friend, I Never Thought I'd Say Goodbye  
Somebody Tell Me Why  
We're Missing You! We're Missing You! Ohh
