yo, it was nothing but a quick thing, kids games, kiss chains, just a quick fling now im hoping you'll never go missing now im telling you you can hold this ring watch as it glistens see it was done as quick as the wind blows didnt think i would ever be involved so i even wrote a song called don't go , it was just you and me in the love row running like delo off to the tip toes duck dive get low and now i care less about who knows now we're deeping way pass intro dappy explain yo.

see never did i think a boy like me would be in need when all i really wanted was to have some fun (now im loosing my head) im telling you one thing your number one

see i dont understand how your number one when it was jsut a fling before now your the one see all i did was blink twice from my hommie to my only number one....

i never thought get here never thought i would care cause i was always looking out for me, i was being selfish i couldnt see all that i want was right infroont of me, but baby i've changed cuase your ?????? your my number one now your priority.

see never did i think i boy like me would be in need when all i really wanted was to have some fun (now im loosing my head) i'm telling you one thing your number one

see i dont understand how your number one when it was just a fling before now your the one see all i did was blink twice from my hommie to my only number one

you lift me off the ground i always want you around i

aint guna let nothin get in the way i'll neva let nothin  
get in the way (x2)

trust me when i say that i aint neva gunna let nothin get  
in the way cause we was always cool as friends back in  
the day its funny how you've changed you got me  
going insane see you aint like the rest your running  
your own lane , you are number oneeee

see i dont understand your number one when it was  
just a fling beforee now your the one see all i did was  
blink twice from my hommie to my only number one

you lift me off the ground i always want you aroundd i  
aint gunna let nothin get in the way i'll neva let nothin  
get in the wayy (x2)

yo number one and i rased your a leader,girl your outa  
this world i cant see you and you've got a place in my  
heart its funny how you auctally went from my  
hommiee to my only number one!
