I don't slip or trip when she asks me where I've been  
(Where you been)  
One big smile on my face zip it darling it's just you and  
me (You and me)  
Now I'm on some Alfie behaviour, I'll call you back later  
Too many fish in the sea for me  
But when the lights come on, and what's her name is  
gone  
I realise where I'm supposed to be

I tried to believe every word of your sweet story  
But intuition keeps telling me  
You're making a fool outta me

'Cause I'm such a good liar  
Just admit it (I never did it)  
Yes you did it (No I didn't)  
Ay  
I'm playing with fire  
Just admit it (I never did it)  
I know you did it (No I didn't)  
Yes you did  
'Cause I'm such a good liar

Woo-ooo-aaa-hhh

I can't help myself, I keep playing with fire

Woo-ooo-aaa-hhh oh oh such a good liar

Thoughts running right through the night as I watch you  
sleep  
(She's getting closer)  
I can't help but check his texts, while he's passed out  
next to me  
(It's only a matter of time)  
I'm on some CSI behaviour, who's gonna save ya  
You'll be the fool when the truth comes out  
But when those lights come on, and what's her face is  
gone  
We're straight back to the same routine

I tried to believe every word of your sweet story  
But intuition keeps telling me  
You're making a fool outta me

'Cause I'm such a good liar  
Just admit it (I never did it)  
Yes you did it (No I didn't)  
Ay  
I'm playing with fire  
Just admit it (I never did it)  
I know you did it (No I didn't)  
Yes you did  
'Cause I'm such a good liar

Woo-ooo-aaa-hhh

I can't help myself, I keep playing with fire

Woo-ooo-aaa-hhh oh-oh oh-oh

Living life in disguise, can't keep up with these lies  
You do anything to try and catch me out, but I never  
leave no signs  
In my heart we was meant to be  
But guys like me be like two or three  
I can't help myself I love girls, I get a kick out of playing  
with fire

I get a kick out of playing with fire  
Playing with fire  
Playing with fire

She ain't going nowhere  
Know why?

'Cause I'm such a good liar  
Just admit it (I never did it)  
Yes you did it (No I didn't)  
Ay  
I'm playing with fire  
Just admit it (I never did it)  
I know you did it (No I didn't)  
Yes you did  
'Cause I'm such a good liar  
Just admit it (I never did it)  
Yes you did it (No I didn't)  
Ooooooh  
I'm playing with fire  
Just admit it (I never did it)  
I know you did it (No I didn't)  
Yes you did

'Cause I'm such a good liar

Woo-ooo-aaa-hhh

I can't help myself, I keep playing with fire

Woo-ooo-aaa-hhh oh-oh oh-oh

'Cause I'm such a good liar

Such a good liar
